

30th September 2021

For: NCE Energy Hub, Farranferris Education & Training Campus, Redemption Road, Cork.

RE: Cathedral of St. Mary & St. Anne (North Cathedral), Cathedral Street, Cork.

To whom it may concern:

I wish to confirm we have installed attic insulation at the above address on 1th & 15th of September 2021.

There was 982 m² in the attic area which was insulated with 200mm of URSA PULS'R 47 White Blowing Wool. The thermal conductivity of this material is 0.047W/mK

There was also 222m² put in the Knee Walls which was insulated with 200mm of URSA 10 Diverso. The thermal conductivity of this material is 0.044W/mK

Should you require any further information please do not hesitate to contact us.

Yours Sincerely,

Envirobead Ltd
